(1) The Home Team

- ❖ **Want your home to look beautiful without all the aggravation ?**
- ❖ **Want everything the way you like it without compromise ?**
- ❖ **Want every detail taken care of without fuss ?**

Then you want the Home Team !

- Imagine what it would be like to give your home the perfect makeover. To create the home of your dreams, with everything - carpets, curtains, blinds, furniture, furnishings, decoration - exactly as you want it.
- Now imagine this happening without all the problems – choosing the right design, finding the right materials, dealing with tradesmen, coordinating the work, meeting your budget.
- The Home Team does everything for you. From interior design to exterior decoration, from plumbing to plastering, flooring to furnishing, whatever it takes to transform your living space into your dream place .
- Seen the “House Doctor” on TV ? We do it for real ! If you’re selling your house, we’ll make irresistible to buyers. Been watching the “House Invader”? We do that too! We’ll give your home the fastest facelift imaginable.

Everything in your home the way you want it.

We design it. We manage it. We complete it. You’ll just love it.

FRONT

Homes required for Film and TV locations

**BBC/ ITV/Channel 4&5/Sky/Cable, Advertising & Film companies –
they all need new locations all the time.**

Your home could be exactly what they are looking for.

- Watch films and programmes being made inside or outside your home.
- See famous TV and movie stars on your doorstep.
- Earn £300 to £1000 a day – or more – and view your home on the screen.

Call 123 45678 NOW for more information.

BACK

Your Home could be on TV !

Due to escalating studio costs, TV, film and advertising companies are turning to outside locations more and more.

•
Responding to this trend, Film & TV Locations is building a database of properties specially chosen to suit these requirements.

•
For a registration fee of only £30, your home will be included in a listing made available to every film, advertising & TV company in the business.

•
If your home is filmed, you will receive a minimum fee of £300 per day, which could be as much as £1000 or even higher.

•
The world of TV and the movies would come to your place.
You might even get a chance to be an extra!

•
This is a genuine opportunity to join a unique property register and see your home on the big or small screen.

ISMsoft

Intelligent Sales Management Software

from Silver multimedia

The Power to Drive your Sales

INNER

ISMsoft is a revolutionary sales management software system that will help your business to develop, control and exploit its sales leads, acquire more customers and achieve increased sales.

ISMsoft is suitable for any business with a sales team of at least 20 and provides detailed, key information to your sales people together with focused, analytical reporting to your sales managers and corporate headquarters.

ISMsoft is internet-based and links to your own intranet and extranet systems. It is therefore accessible from anywhere, and serves as a permanently available status recording service, providing all the information you need about your salespeople and your customers.

ISMsoft enables you to monitor, control and enhance the performance of your salespeople, and to help them generate more leads and increase conversion rates.

ISMsoft incorporates database design, updating and cleaning with up-to-the-minute reporting and analytical information processing, which together highlight sales opportunities and help you improve your market share.

ISMsoft is dynamic and flexible, will grow as your business grows and will respond to your changing demands through bespoke refinements.

ISMsoft gives you the power to drive your sales to the levels that you aspire to, through smarter sales management and application of some of the most exciting technology on the market.

ISMsoft helps you to achieve higher turnover, improve efficiency, increase profitability and optimize your business performance.
